- Strategies to Address Chronic Homelessness: Lessons Learned in San Francisco – PowerPoint slides

OTHER MATERIAL RELATED TO ITEM: See Tab 5 of this packet for the DMH CSS Housing Review Tool; the San Francisco Housing Project presentation will include a PowerPoint presentation that will be brought to the meeting

ISSUE:

During the presentation of the MHSA Housing Review Tool at the May 2008 meeting, many commissioners had questions about the MHSA Housing program. This panel presentation is not meant to be an exhaustive look at MHSA Housing but rather an educational panel related to MHSA Housing.

The panel presentation will consist of the following participants:

1. **Commissioner Darlene Prettyman**, panel moderator. The MHSA is fortunate to benefit from Commissioner Prettyman's extensive experience and knowledge about community supportive housing.
2. **Jonathan Hunter**, Managing Director, Western Region, Corporation for Supportive Housing. Jonathan Hunter will present a Fidelity Model for Supportive Housing and then will invite a client tenant council member who lives in quality supportive housing, to provide his perspective. The enclosure, "History of California Supportive Housing," provides the history of the development of the Corporation for Supportive Housing.
3. **Alice Gleghorn, PhD.** Alice Gleghorn is the Deputy Director of Community Behavioral Health Services in the San Francisco Department of Public Health. The San Francisco MHSA Housing Program, Polk Senior Housing, was recently submitted and approved for funding by the DMH. Gleghorn will present the enclosed PowerPoint, "Strategies to Address Chronic Homelessness: Lessons Learned in San Francisco."
4. **Dee Lemonds, DMH.** Dee Lemonds is the Chief of the DMH Adult Program Unit. The Adult Program Unit is responsible for coordinating the DMH review of MHSA Housing Program Applications. Lemonds will provide an overview of the DMH CSS Housing review tool and process.
